

Privacy Policy for Text Communication

At Everest Title, LLC, we are committed to protecting the privacy and security of our clients. This privacy policy outlines the guidelines for our text communication with real estate agents, mortgage brokers, buyers, and sellers. All message and data rates may apply

1. Purpose of Text Communication Text messaging will be used exclusively for transaction-specific communications related to real estate closings and transactions. You will not receive any marketing messages via text. By choosing to opt in to our texting program by text, that mobile opt-in will not be shared.

2. Prohibited Information Sharing For security reasons, we will never request, and you should never share, the following information via text message:

- Bank account details
- Social Security numbers
- Passwords or any other sensitive personal information

If you receive any message requesting such information, please do not respond and contact us by calling our direct line or email us immediately.

3. Text Message Distribution and Availability Texts will be responded to between the hours of 9 AM and 5 PM EST. The information received will not be sold to third parties for the purpose of marketing or pinned to a post for social media use.

4. Opting Out You may opt out of receiving text messages from us at any time by replying with "STOP" or contacting us directly. Once you opt out, you will no longer receive any text messages from us.

5. Security Measures While we take precautions to protect your information, text messaging is not a fully secure method of communication. We encourage all parties to use secure channels when sharing sensitive information with Everest Title. The information shared with Everest Title will **never** be shared with any other companies.

6. Contact Information If you have any questions or concerns regarding this policy, please contact us at 248.792.2096 or email at contact@everesttitle.com.

By communicating with us via text, you acknowledge and agree to this privacy policy.
